Thank you to **Connecting Kids to Meals** for donating 400 weekend food bags, the **Rotary Club of Sylvania** for providing the laundry baskets that carried the meals, **Ace Hardware in Sylvania** for handing out gift cards to each recipient, and **Cookies for Better** for baking cookies for every basket. Whitmer High School

For our second drive, we went back to the school district where we both went to school. At Whitmer High School, we handed out **210 turkeys** with green beans, mashed potatoes, corn, mac and cheese, and stuffing to families in the Washington Local Schools community.

A huge thank-you to the **Washington Local Schools Foundation**. Every time we ask for help, they show up for us and for the families in this district.

Frame's Pest Control donated 55 meals and helped deliver turkeys. Thank you to **Meijer on Alexis Road** for supplying the turkeys for the Whitmer drive.
